We invite you to be a part of
the first national dementia care
housing database.

POWERED BY
SNAP for Seniors[®]

The Alzheimer's Association in collaboration with SNAPforSeniors® is pleased to announce the Senior Housing FinderSM – the first national online dementia-specific senior housing database.

“The Senior Housing Finder is another example of our continued commitment to providing families touched by dementia with the tools they need to find quality care.”

Dr. Peter Reed, Senior Director of Programs at the Alzheimer's Association

Reach Highly Targeted Potential Residents from all across the U.S.

Each day thousands of individuals and professionals seek assistance from the Alzheimer's Association, many looking for housing. They need to know what level of care, features and amenities you offer.

You are encouraged to complete a free SNAP-Profile™, providing essential information so potential residents may learn about your services and contact you directly.

Make a Better First Impression with these Optional Features

Photo Gallery

Let families view a professional photo tour of your facility. Listings with photos are viewed seven times more often than those without.

Availability Posting

Indicate that you are accepting new resident inquiries so families with an immediate need are more likely to contact you.

Invest 20 Minutes to Receive Qualified Leads

SNAPforSeniors is not a placement or referral agency and does not charge for listings, leads or referrals.

Detailed facility information is self-reported by each facility and is not verified. The information provided by a facility should not imply endorsement by the Alzheimer's Association.

Alzheimer's Association CareFinder™

Recommends care options and questions to ask when screening providers based upon individual needs and preferences.

SNAP-Profile™

Allows senior housing providers to indicate the levels of dementia care and the amenities they offer.

Alzheimer's Association Senior Housing FinderSM

Allows individuals to search for housing consistent with their personalized CareFinder™ recommendations thereby contributing to more successful placements.
